

INJURY REPORTING & TRIAGE SERVICES

PRISM partners with the industry's best to provide services that are second to none.

PRISM has contracted with Company Nurse to provide members with a first-call, first-reporting system that includes both a medical needs triage at the time of injury and a means of initiating the injury/incident reports. As a result, more injuries are designated as first-aid, while others are directed to the appropriate level of care.

Services Include

- Access to registered nurses who provide self-care advice and medical referrals for on-the-job injuries.
- Validated and verified Provider Database to ensure referrals are made to the appropriate and available employer designated facility(ies).
- Monthly reports summarizing incidents and outcomes, and a list of partially completed First Report of Injury forms.
