1. Determine how many employees need training
    - a. To directly purchase individual RSV classes contact [riskcontrol@prismrisk.gov](mailto:riskcontrol@prismrisk.gov) for instructions.
    - b. To purchase multiple seats in an RSV class, please visit <https://goto.hsi.com/prism> to complete the information request, and a representative from HSI will contact you.
  2. Set up an "Open P.O." agreement regarding billing (can include a not-to-exceed amount).
  3. Provide HSI with the main point of contact/administrator's contact info.
  4. A self-enrollment email will be sent out to the main POC/admin to share with the employees that should enroll.
  5. Each enrolled employee fills out a very short form using the link the admin provided.
  6. Enrolled employees will be given access to a CPR/FA blended course, a scheduling tool, and the RSV Session. Members will have a loaner manikin\* shipped directly to employees, along with any necessary FA training supplies.
  7. Upon passing the blended course & demonstrating proficiency during RSV, employees will receive a digital certification card.
  8. RSV sessions will be made up of 1-3 students (from your organization or others).
- \* This manikin is made to be used once and returned to HSI for sanitation.
