

CSAC EIA IS NOW

PRISM

Public Risk Innovation,
Solutions, and Management

*Covering the risk
spectrum since 1979.*

Formed in 1979, PRISM serves over 2000 Public Agencies, providing stable insurance offerings and risk management services for 40 years.

Member Driven

16 Committees work on the Strategic Plan for development, governance, oversight, and PRISM's Future direction.

National Expansion

National Expansion through PRISM's captive insurance company, the Excess Insurance Organization (EIO) as of 2019.

Innovative Solutions

Economies of Scale allow PRISM to find creative, stable, and innovative solutions for public agencies' insurance needs.

Public Agencies

95% of California Counties, over 70% of Cities, more than 10% of Educational organizations, Special Districts, Housing and Fire districts, and 27 JPAs are members of PRISM.

New Name, Same Commitment
