

CSAC EIA BOARD OF DIRECTORS WORKSHOP

THURSDAY, MARCH 2, 2017 1:00 PM - 4:30 PM

HILTON SACRAMENTO ARDEN WEST

2200 HARVARD ST.

SACRAMENTO, CA 95815

Investigations in a
Social Media World

Garrett McGinn, Director

Digistream, Intelligence Division

1:00 pm - 2:30 pm

This session will provide real life case examples to demonstrate how you can gain eye-opening insight into accidents, site security, workplace harassment and high exposure incidents, by locating social media photographs, videos, and posts at specific locations and times anywhere in the world.

Risk Assessment Tool
Overview

Roger Duffield, President

Traci Baker, Director of Services

in2vate

2:45 pm - 3:30 pm

The EIA, in partnership with in2vate, is pleased to announce the availability of a new survey tool to help members identify gaps in their risk management efforts and target resources to assist in managing these exposures. Representatives from in2vate will be providing a demonstration of the system and will be available to answer questions regarding the system's functionality.

Body Worn Camera
Program Guide

Ed Whitty, CEO

LensLock

3:30 pm - 4:30 pm

LensLock will be providing an overview of this new service available to EIA members. Topics of discussion will include:

- ◇ The benefits of body worn cameras to law enforcement agencies
- ◇ An introduction to the LensLock body worn camera technology solution
- ◇ A demonstration of the Lenslock cameras and cloud based data storage and management service
