How do you Eat an Elephant?
One "Byte" at a Time

Elephants in the Room

Trying to take on Cyber Security and Vendor Contract Compliance are often perceived as two of the largest elephants in the room facing public agencies today. However, you **can** succeed with the right resources and information that will make each 'byte' easier to consume.

You are invited to join us for this two-part workshop, which will include a lively discussion with experts who bring to the table years of industry expertise and public agency knowledge.

Part 1: 1:00 PM – 2:30 PM

"Combating Your Public Agency's Cyber Vulnerability Risks"

Topics:

- Vulnerable areas of potential breach
- Prevention tactics **before** a breach
- Mitigation tactics **during** a breach
- Control measures **after** a breach

Part 2: 2:45 PM – 4:00 PM

"Mitigating Risk through Air-Tight Contracts"

Topics:

- How are your contract negotiating skills?
 - o Common Pitfalls
 - o Resources
 - o Standing Your Ground
- Technology Scenario
- On the Horizon
