

Speaker Bio for MICHAEL WILLIAMS

For the past 4 years, Michael has served as a Security Specialist on behalf of Chubb Global Risk Advisors utilizing his expertise in the areas of Critical Incident Investigation, Crisis Management, Emergency Preparedness and Response, and Employee Management to help organizations be better prepared to handle threats to their safety and that of their customers.

During his 30 year tenure with the Dekalb County Police Department in Metro-Atlanta, Michael was promoted through the ranks and worked in various departments. He served as Commander of the Homicide Unit, the Crime Scene Investigation Unit (CSI), the Critical Incident Response Team, and the Post Blast Investigation Team. Additionally, Michael has 26 years of knowledge and experience in personnel

management which was developed while supervising numerous sworn law enforcement officers and civilian personnel. He now uses these skills to equip others to implement and apply action plans to address serious events within the workplace through security site evaluations and performing employee-centered trainings on topics such as de-escalation, active shooter, and crisis response.
