

LEARNING MANAGEMENT SYSTEM

CSAC EIA partners with the industry's best to provide services that are second to none.

The EIA has partnered with TargetSolutions to deliver an online training and safety/risk management platform of services.

The web-based training program provides access to a wide range of training topics, many of which are included, and others at an EIA negotiated reasonable cost*.

Training Topics Include:

1. Business Skills/Human Resources & Microsoft Office Suite
2. Professional Development: Communication, Customer Service and Leadership
3. Fire and Law Enforcement Training*

* = EIA member exclusive negotiated rates

TARGETSOLUTIONS

To get started, please contact:
Tomasita Butler, TS Account Specialist
Tomasita.Butler@vectorsolutions.com 858.376.1608

24/7 Access to Web-Based Training

Provide "anytime, anywhere" access to quality courses in a wide range of risk management and general business needs.

User Friendly Application System

Training records keeping has never been easier! Electronically produce timely reports with a few clicks of a button.

Value-Added Benefits

Access many of these trainings at no extra cost as a value-added benefit of your membership.

Quick Start Steps:

1. Check out <http://csac-eia.targetolutions.com/demo.htm>, take sample courses, view the entire catalog of course offerings, and find out more about the features & benefits of the platform.
2. Contact Tomasita Butler, Account Specialist at TargetSolutions by phone: 858.376.1608 or email: tomasita.butler@vectorsolutions.com.
3. Tomasita will send a user profile Excel spreadsheet to complete. Employee information (name, department, email, etc) will need to be provided for all employees you wish to enroll into TargetSolutions so that they can be loaded into the platform.
4. Administrator Training is available in a few different

- platforms: EIAtv - Loss Prevention Channel, TS Academy Training Series Sessions, and also 2 weekly webinars provided by TargetSolutions, or one-on-one sessions.
5. System Roll Out – TargetSolutions can provide assistance as you communicate with employees regarding this new or refreshed Learning Management System. They will help you share employee log-in information to launch the service.
 6. Ongoing Customer Service – TargetSolutions has excellent ongoing customer service to help at any step of the way in the implementation process, but it won't stop there. They are committed to providing ongoing support.
