Dear Member,

The Master Crime Program is currently written with a policy of \$15 Million limits. At their May meeting, the CSAC Excess Insurance Authority (CSAC EIA) Executive Committee approved a two year policy term effective June 30, 2018 to June 30, 2020. The full and complete copy of the 2018/2020 Master Crime Policy is available in the member's area of EIA's website. Also available online is a template letter to the judge and a signature page. This letter is being sent as a reminder to all the Program's County members to file this Policy as required by California Government Code.

California Government Code (GC) section 1458 requires that certain county officers post official bonds. GC 1481 allows for a master bond, in lieu of individual bonds; additionally, GC1463 allows for crime insurance in lieu of a bond.

Based on the aforementioned Government Code, the CSAC EIA Master Crime Policy can be used to fulfill the bonding requirements for many public officials.

California Government Code Sections 1457 and 1459 address the counties' obligation to have the Policy approved by the presiding superior court judge, and then recorded with the county recorder, filed with the county clerk, and also filed with the county treasurer (as respects the county clerk's coverage).

If you require a hard copy of the policy, please feel free to contact me at 949-660-5982 or msalyer@alliant.com.

Sincerely,
