

NPA is CSAC EIA's preferred Return-To-Work provider for members of the Primary Workers' Compensation (PWC) program! NPA's OUR System, to-date, has provided the CSAC EIA PWC group a total TTD savings over \$3.3 million.

With NPA's OUR System injured workers are back to work quickly! Bridge Assignments create productive and meaningful modified work assignments appropriate for different levels of physical capacities.

As a CSAC EIA PWC Member you receive:

- ◇ No upfront fees – we bill to the file! *CSAC EIA PWC members will receive the lowest price, currently \$450.00 per accepted file.*
- ◇ All CSAC EIA PWC members will own their OUR System after two years of receiving Return-to-Work services.
- ◇ NPA guarantees your savings will be greater than our fee or we will repay the difference. With our guarantee, you receive:
 1. An OUR System
 2. Expert management of your RTW services
 3. Close, open communication between doctors, supervisors and your selected personnel
 4. Monthly status reports, which:
 - ◇ Inform pertinent parties of each worker's status and future plans.
 - ◇ Support the FEHA and ADA compliance process.
 - ◇ Quarterly and annual RTW analysis reports.
