Staff Resources

Direct Consultation - Our experienced team of consultants are familiar with both the regulatory requirements put forth by Cal/OSHA and can assist with cost-efficient solutions for your risks, including specialist referrals.

- Services include**
- Policy/procedure Assistance
 - Loss Data Review/Analysis
 - Participation in Safety & Wellness Events

Risk Control Open Forum - A roundtable environment for PRISM members who are responsible for risk control or health & safety. Join us for the local government entities or school districts and affiliates forum to explore solutions and safety issues.

Subsidy Funds - Voluntary Risk Management Subsidy for PRISM members who participate in a major program. Funds can be used for any risk management expense (such as participation in any of the PRISM Partner Programs), other than payment of premiums.

Training Resources

Classroom/On-site Training - Instructor-led training programs on a variety of health and safety topics.

Learning Management System (LMS) - PRISM has partnered with Vector Solutions (formerly TargetSolutions) to deliver an [online learning management system \(LMS\)](#) and provide access to an extensive catalog of web-based training sessions for risk management, as well as everyday general business needs. This innovative service gives members “anytime, anywhere” access to quality, cost-effective courses in a wide range of risk management topics, including: back injury prevention, employment practices for supervisors, fire extinguisher safety, driving safety, and sexual harassment awareness. A recent addition is their Special Education resource, which was added to the School District's section.

PRISMtv - Member-exclusive, 24/7 access to hundreds of webcasts on-demand. Webcasts available in 8 different channels: Educators, EPL & Liability, Health & Benefits, News & Administration, Podcasts, Risk Control, Risk Management, and Workers' Compensation.

Regional Training - Seminars delivered across the state on various risk management topics, which are open to all PRISM members.

Risk Control Services for Law Enforcement Menu - A consolidated menu containing information, resources and services focused on the specific needs of PRISM's Law Enforcement agencies.

Safety Management Certification - This five-part online series covers topics including: Accident Investigation for Supervisors, Safety and the Supervisor, Workers' Compensation for Supervisors, and more! Check out the [Schedule](#).

PRISMtv - Channels

EPL and Liability - Training sessions that cover acts arising from the employment process, which include: reasonable accommodation, discrimination, sexual harassment prevention, and retaliation. ●

Health and Benefits - Resources and training related to PRISM's Health and Benefits programs. ●

Health and Safety - These sessions are designed to provide viewers with best practices, regulation guidance, news, and tools involving workplace health, safety and illness prevention topics. ●

News and Administration - Specific webcasts focused on PRISM program topics such as renewals and coverages, as well as introductions to our various services. ●

Podcasts - Did you miss a live [PRISM Perspectives Podcast](#) session? Check out the recorded session on this channel. ●

Risk Management - Common public agency risk management issues are addressed in these webcasts, including a series on crisis incident management, cyber security and insurance requirements in contracts. ●

Schools - Information and training programs that are most relevant to education members, including webcasts on preventing child sexual abuse, school liability concerns, and school security. ●

Workers' Compensation - Programs designed to provide assistance for those managing workers' compensation, including new case law and supervisor responsibilities. ●

Toolbox Resources

Drug and Alcohol Clearinghouse Guide - This guide was developed to assist PRISM members with the Drug and Alcohol Clearinghouse and to inform members of the reporting and query requirements once the Clearinghouse is in effect. ●

Employment Practices Manuals* - Developed specifically for PRISM members by the Eyres Law Group, these manuals focus on California public agency employment matters by providing legal and policy guidelines, and customizable forms and checklists. ●

Toolbox Resources (continued)

Essential Job Duties* - Created to assist with return-to-work (RTW) programs, this classification specific document with over 40 specific examples will help doctors and claims administrators determine relevant work capacities and if injured employees are able to return to work. ●

Job Safety Analyses* - Management and supervisors can use the findings of a job safety analysis to identify and prevent hazards in their workplaces. Access over 40 public agency classification job safety analyses in Excel format. ●

Occupational Safety and Health Guide* This guide was created to help public agency staff better understand Occupation Safety and Health (OSH) and includes eight (8) core OSH elements reviewed in detail. Provides supportive examples on where focused action can make the most impact, helping to reduce risk and prevent employee injury. ●

Risk Simplified - A series of informative documents developed by PRISM's Risk Control Department to assist with reducing losses and understand regulatory requirements. Provides best practices and guidance on topics including: playground safety, attractive nuisances, Cal/OSHA compliance, and more! ●

Road Maintenance - Tools and resources for [Road Design and Maintenance Best Practices](#) and [Geographic Information Systems \(GIS\)](#). ●

Safety Talks: A Tailgate/Toolbox Resource* - Over 300 topics to lead and plan your next safety meeting. Download the entire resource and share with those in your agency responsible for leading safety meetings. ●

School Administrator's Guide to Preventing Sexual Abuse & Misconduct* Designed to assist PRISM school members with creating policies and procedures to ensure student safety against would-be sexual predators, covering topics such as: Hiring Best Practices, Staff/Student Boundary Policies, and How to Investigate a Title IX Complaint. ●

School Liability Handbook: Student Activities & Employment Issues* This handbook was created in conjunction with Lozano Smith, a law firm specializing in school liability legal services. Consists of 5 modules: 1. School Activities and the Law, 2. Protecting and Supervising Students, 3. Additional Risk Management Concerns, 4. Employment Issues for School Districts, and 5. Form and Templates, all designed to help our Educational Members address liability concerns. ●

School Safety for the Industrial Arts* - This guide was created to assist public agencies in keeping students, faculty, support staff, and guests in their Industrial Arts classrooms safe. It covers where hazards are typically found, potential hazards, and how best to protect people from these hazards. ●

Workplace Violence Prevention (WPV)* - Describes WPV methods further, including establishing leadership commitment, how to perform an assessment of a current violence prevention program, ways to strengthen program elements, communicating the program to all affected employees, and including continuous improvement of the program to help ensure worker protection. ●
