PRISM has partnered with Shoes For Crews (SFC) to provide our members with one of the very best slip-resistant outsoles in the business. SFC has spent more than 30 years studying the science of safety, and innovating their entire product collection to bring you upgraded comfort, technology and design to ensure you get home safe.

## Products Include

- Slip Resistant Outsoles
- Safety Toe Options such as Steel Toes
- Special Discounted Pricing

### Protective Footwear for Safety

ZoneTraction combines the most efficient and powerful traction patterns, and puts them exactly where you need them most.

### Free Fast Lane Exchange ®

With Fast Lane Exchange, SFC will ship out your new shoes even before receipt of the old one so you don't miss a step.

### Warranty

Up to \$5k reimbursement on slip/fall Workers' Compensation claim if employee was wearing SFC footwear.

## Quick Start Steps

1. Contact [Dave](#) with Shoes for Crews and let them know that your employer is a member of PRISM.
2. Determine if you want the standard rates or if you want to participate in a corporate program to get a discount.
3. Select from 3 available programs:
  - a. Company Paid Program - your agency pays directly for all the shoes selected by your employees.
  - b. Company Subsidized Program - your agency pays a certain amount per pair and the balance is paid by the employee directly or through payroll deduction.
  - c. Employee Voluntary Payroll Deduction Program – your agency pays directly for all the shoes selected by your employees and then deducts the cost from the employee paycheck.
4. Determine your agency approved shoes.
5. Request a catalog or allow employees to shop online at [www.shoesforcrews.com](http://www.shoesforcrews.com).  
NOTE: If you plan to purchase 100+ shoes then you qualify for on-site services.
