

CRISIS INCIDENT COUNSELING SERVICES

CSAC EIA partners with the industry's best to provide services that are second to none.

MHN

A Health Net CompanySM

For more information, contact: Rick Brush
rbrush@csac-eia.org 916.850.7300

The EIA has negotiated with MHN/Envolv PeopleCare to provide Crisis Incident Counseling services exclusively for members of the EIA's Excess Workers' Compensation Program at no additional cost.

The program is designed to provide members with incident stress debriefings in response to death in the workplace incidents.

SERVICES INCLUDE:

1

Pre-Incident Planning to include Organizational Risk Assessments

2

Round-the-Clock Consultation Services by telephone

3

Post-Incident Training in Resiliency & Stress Management

EMERGENCY? CALL 916.850.7700
